
Koten safety breaker factory in America

How did Koten start?

Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth. Over time, Koten expanded into importing, exporting, distributorship, and contractor services, bridging supply chain gaps and providing integrated solutions under one roof.

Who is Koten Enterprises?

KOTEN ENTERPRISES COMPANY, INCORPORATED was established in 1987 as a trading company. Expanded our operations as an importer, exporter, distributor, and wholesaler in 1997.

What makes Koten a great company?

Today, Koten represents persistence, innovation, and integrity, staying true to its founding values while setting new benchmarks in the Philippine electrical market. With a clear vision for the future, the company continues to shape industry standards and exceed client expectations.

Where is Koten based?
